

The Role Of Trauma & Post-Traumatic Stress Disorder In Eating Disorders, Food Addiction & Obesity

Thursday, October 1, 2020 | 12pm ET / 9am PT | 5pm ET / 2pm PT

Timothy D. Brewerton, MD, DFAPA, FAED, DFAACAP, an expert in the treatment of eating disorders, will discuss the mechanisms by which early-life trauma becomes biologically embedded in the brain, the high prevalence of trauma history in individuals with eating disorders, food addiction, and obesity, and the importance of a trauma-informed approach in managing these conditions.

Please Note: Due to high levels of interest, please access this webinar via your computer.

Timothy D. Brewerton, MD, DFAPA, FAED, DFAACAP, is a paid consultant for Otsuka Pharmaceutical Development & Commercialization, Inc.

Heather Davidson, PhD, is a paid employee of Otsuka Pharmaceutical Development & Commercialization, Inc.
